

## What is it?

Chores for CE is a fundraiser that FACE is doing to raise money for therapy supplies, equipment and essentials for our summer camp and yearly programs, for this next year.

## How does it work?

When you register for the fundraiser you will receive a package that has a Chores for CE apron, a chore sheet to keep track of the amount of chores you've done and stickers to track. When you are completing a task, take a video or picture while wearing your Chores for CE apron. Send these pictures and videos to FACE and to your sponsors to get them to donate to Shaw Birdies for Kids Presented by Altalink. To donate use this link: <https://shawcharityclassic.com/face/>

## When is it happening?

The months of fundraising are June and July. To fundraise for the month of June registration is open until May 31st. For fundraising in July, registration is open until June 27th. If you choose to fundraise in August registration is open until July 27th. You choose a month and do a chore a day for each day of the month you have chosen, June, July or August.

## Why are we doing it?

At FACE we believe in teaching and helping create more independence in children and young adults. We help teach fine motor, gross motor, and social skills. We think that this fundraiser is a great opportunity for individuals to show off the skills and goals they have worked so hard to achieve.

## Why Shaw Birdies For Kids?

Birdies for Kids is a program that raises funds for local charities. The program matches up to 50% of donations made to a direct charity. The program also covers all administrative costs, all donations made to a direct charity will go 100% to the selected charity.
